

5,000x PFAS Concentration Factor.

PFAS Adsorption

Pump and Treat AFFF-Impacted Groundwater

PFAS Desorption

DEXSORB provided **5,000x** of PFAS concentration factor in this field demonstration

500,000 gallons of PFAS-contaminated water

1,600x

300 gallons of PFAS-Laden Regeneration Solution

5,000x

100 gallons of concentrated PFAS-Laden Regeneration Solution
